NOTES

Prices listed on this page are based on 4-inch picket spacing only and do not include hardware or trussing. Shaded areas on the pricing schedule indicate gates manufactured with a 2" frame required for additional strength.

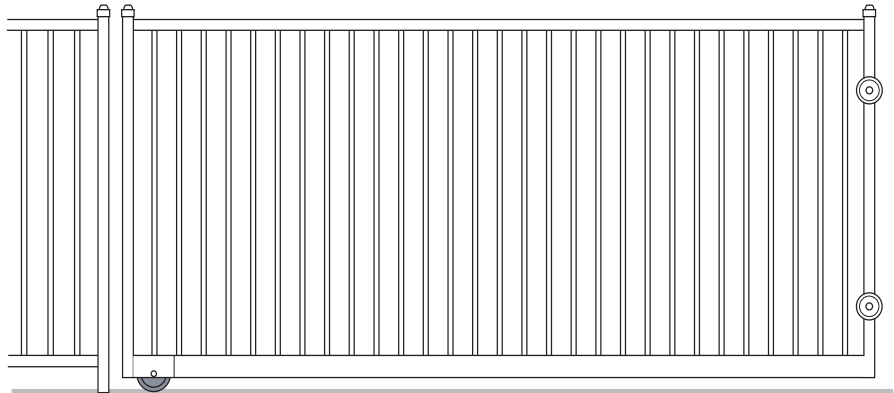

FOR CUSTOM OPTIONS: arching, scroll work or a wide variety of design alternatives, see the **SPECIAL PRICING APPLICATIONS** section of this catalog.

* All 10' Guardian swing gates over 9' in width are too large to be factory painted. They are furnished not cleaned of mill oil and not painted.

CONVENTIONAL SLIDE GATE

GATE PRICES INCLUDE:

- 1 5/8" BFC 20 track
- 2 - P.S. pipe track wheels
- 2 - Clamp-on brackets
- 2 - P.S. caps
- 1 - 6" Rubber wheel
- Required track brackets
- Slide gate latch

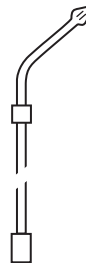

Item # 81474-GI

2" x 4" BOTTOM RAIL

Gates are manufactured with 2" top rail and sides with a 2" x 4" bottom rail (4" view), 3/4" sq. pickets and 4" picket spacing. Old style gates with square bottom rail, old style wheel boxes, and pickets on the outside of the rail are available on request.

Call for pricing on custom variations.

End View Detail

- Split Pickets
- Straighter gates because there is no welding on the outside of rails
- Wheel box part of bottom rail

Note: UL 325 requires electronically operated gates and the fence line adjoining such gates to have a maximum 2 1/8" picket spacing or mesh installed. For additional cost, contact sales person.

The shaded items are too large to be Factory painted, they are furnished not cleaned of mill oil and not painted.

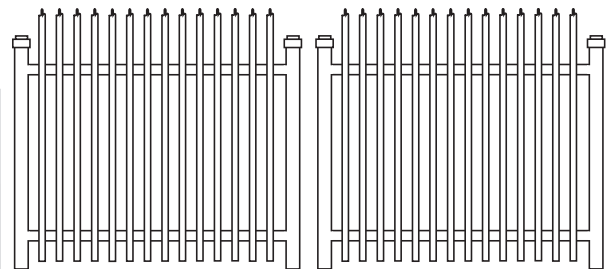

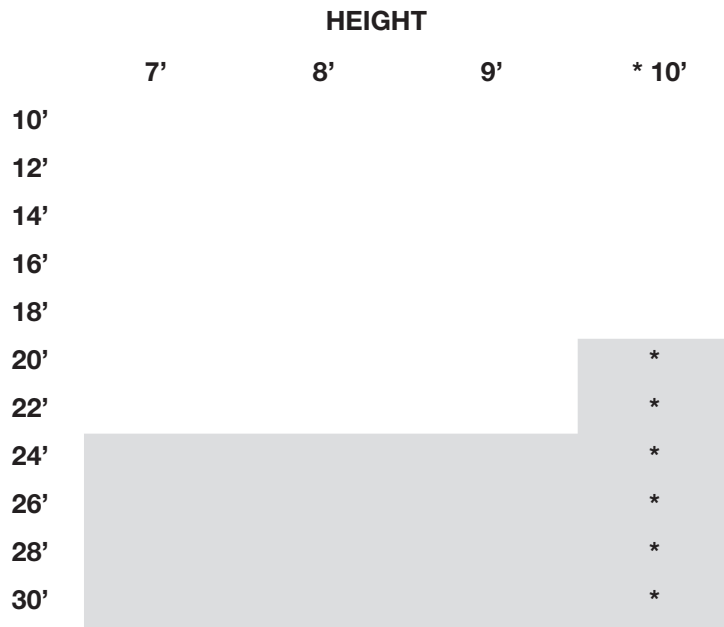

HEAVY GUARDIAN, Two Coat, Single Gate

Item # 81400-D

HEAVY GUARDIAN, Two Coat, Double Gate

Item # 81450-D

NOTES

Prices listed on this page are based on 4-inch picket spacing only and do not include hardware or trussing. Shaded areas on the pricing schedule indicate gates manufactured with a 2" frame required for additional strength.

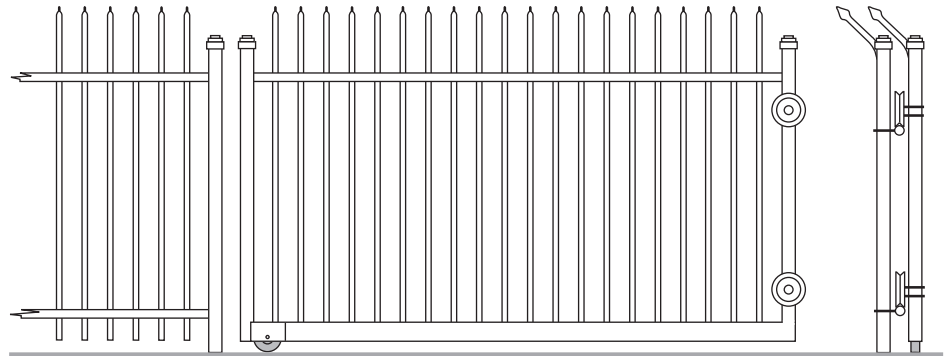

FOR CUSTOM OPTIONS: arching, scroll work or a wide variety of design alternatives, see the **SPECIAL PRICING APPLICATIONS** section of this catalog.

* All 10' Guardian swing gates over 9' in width are too large to be factory painted. They are furnished not cleaned of mill oil and not painted.

CONVENTIONAL SLIDE GATE

GATE PRICES INCLUDE:

- 1 5/8" BFC 20 track
- 2 - P.S. pipe track wheels
- 2 - Clamp-on brackets
- 2 - P.S. caps
- 1 - 6" Rubber wheel
- Required track brackets
- Slide gate latch

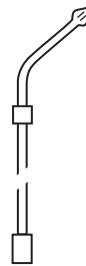

Item # 81474-D

2" x 4" BOTTOM RAIL

Gates are manufactured with 2" top rail and sides with a 2" x 4" bottom rail (4" view), 3/4" sq. pickets and 4" picket spacing. Old style gates with square bottom rail, old style wheel boxes, and pickets on the outside of the rail are available on request.

Call for pricing on custom variations.

End View Detail

- Split Pickets
- Straighter gates because there is no welding on the outside of rails
- Wheel box part of bottom rail

Note: UL 325 requires electronically operated gates and the fence line adjoining such gates to have a maximum 2 1/8" picket spacing or mesh installed. For additional cost, contact sales person.

OVERHEAD ROLLER STYLE

GATE PRICES INCLUDE:

- 2 - P.S. caps
- 1 - Roller assembly
- 1 - Industrial slide latch
- 2 - 6" V-Groove wheels
- V-Track with J-bolts or Tabs

End View Detail

- Split Pickets
- Straighter gates because there is no welding on the outside of rails
- No strap needed across the pickets
- Wheel box part of bottom rail

Item # 81475-D

2" x 4" BOTTOM RAIL

Gates are manufactured with 2" top rail and sides with a 2" x 4" bottom rail (4" view), 3/4" sq. pickets and 4" picket spacing. Old style gates with square bottom rail, old style wheel boxes, and pickets on the outside of the rail are available on request. Call for pricing on custom variations. Shaded areas on the pricing schedule indicate gates manufactured with an 11 gauge frame required for additional strength. Trussing is optional and may be required for larger gates sizes. Refer to SPECIAL PRICING APPLICATION section.

Note: UL 325 requires electronically operated gates and the fence line adjoining such gates to have a maximum 2 1/8" picket spacing or mesh installed. For additional cost, contact sales person.
