544	5'	4'
644	6'	4'
646	6'	6'

Includes front, back, sides and all fittings. See the next page for panels ordered separately.

The order number for a dog run is formed by taking the number listed above corresponding to the size required, plus the length in feet.

EXAMPLE: To order a 6' high double dog run (each 4' wide) and measuring 12' in length, the number would be # 624-12.

DESIGN YOUR OWN DOG RUN

BACK, SIDE AND TOP PANELS (Chain Link) including panel clamps.
Specify each panel ordered as top, side, or back for double run, triple run or quad run.
